Profile

Corporate & Capital Markets | International Practice | Carbon Peak & Neutrality, Natural Resources

Walter is a qualified Chinese lawyer with years of overseas legal work experience. Before joining V&T, he served as the Legal Director at the headquarters of a well-known energy group. Walter specialized in providing legal services on shipping, international trade and energy, traditional and new energy project development, investment and financing, funds and capital markets. Walter is also a Chartered Financial Analyst (CFA) and a member of the Institute of Chartered Shipbrokers (ICS). Walter is especially good at combining his rich industry and financial background to provide clients with comprehensive legal services on various complex cross-border projects and disputes.
